Dedication of Wilhelmina Rise.

Thursday evening, the Kaimuki Land Co., Ltd., dedicated Wilhelmina Rise at 8 o'clock. Miss Wilhelmina Tenney broke the bottle of champagne over the stone post bearing the name. Mr. Stanton made a few remarks about Wilhelmina Rise and the work that will be done on the splendid driveway during the next year. JEWELRY STORE CLOSING OUT

Jewelry will be sold far below par all next week. The store of the A. M. Dietz Jewelry Co. on Hotel street, just around the corner from Fort, is closing out and retiring from business. The whole stock will be closed out far below cost as the store must be vacated by the end of this month.

The Dietz store has been doing a very excellent business at its present stand for some years. However, when the Woman's Exchange, which shared the store with the Dietz Co., decided to go out of business, the latter decided to take the same step and retire from active business.

The Dietz company has a very fine stock of popular priced articles and has decided to slash prices right and left so as to close out the stock as soon as possible. Watches and jewelry, table silver and novelties will be sold at astounding reductions, considering that many of the articles are of solid gold or sterling silver.

An advertisement is published elsewhere in this paper giving a list of some of the bargains, but a complete list is impossible owing to the great variety of the goods in stock.

It will pay you to visit this store. It will even pay you to make purchases and save them until next Christmas.

SPRING MATERIALS THE FINEST EVER

Silva's Toggery has the largest and most complete stock of the popular Hart, Schaffner & Marx clothing it has ever carried. These suits are designed especially for spring and summer wear and the materials are chosen with a taste that cannot fail to be pleasing to the most exacting of fastidious dressers.

One of the most satisfactory features of Hart, Schaffner & Marx clothes is the lines. No coat or trousers can possibly look well unless cut on correct lines. It is just here that the distinguishing feature comes in between an ordinary tailor and an artist tailor. Ladies know this difference and recognize that a maker of gowns is very different from a seamstress. Discriminating men also know the difference. But, the average man pays too little attention to his clothes. Hart, Schaffner & Marx fill in this deficiency. They employ the most expert cutters to be found and their clothes are designed by the foremost artists.

Drop in at the Toggery and see the new stock.

The Netherlands East Indies Railway Co. has issued instructions for surveying operations in connection with the construction of a railway from Babat via Prambon to Toeban, with a branch line to Bodjonegara.

IGOROTS COMING AS LABORERS?

The Manila Cablenews-American prints the following:

Selden W. Taylor, who has been engaged in procuring Filipino laborers for the Hawaiian sugar plantations, will leave for Baguio Monday to confer with Governor-General Forbes on matters relative to the exportation of native laborers to Hawaii. Mr. Taylor received a telegram from the Governor-General yesterday inviting him to the conference.

When asked by a Cablenews-American representative regarding the nature of the questions to be discussed, Mr. Taylor said that he had not the least idea of the reasons for the conference.

Mr. Taylor and Mrs. Taylor paid a visit to their son, Mr. Reynolds, and his family at Baguio last week, and it is not unlikely that this visit has been in some way connected with a rumored intention on the part of Mr. Taylor to secure laborers for labor purposes in Hawaii. Rumors to that effect were current in Baguio at the time of Mr. Taylor's visit last week, but he denied having had any such intentions when told about the rumor by a Cablenews representative yesterday.

Mr. Taylor will be accompanied by two prominent representatives of the Hawaiian sugar people, one of whom is Mr. L. C. Pinkham, who are expected to arrive on the Mongolia Saturday.

William Francis, a negro accused of murdering Mary Henderson at Columbus, Mo., Aug. 7, 1901, is reported under arrest at Durham, N. C. A reward of \$5,500 was offered for his capture nearly ten years ago.
